1. NOTICES

To Debtors:

This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with the Local Rules of the United States Bankruptcy Court for the Middle District of Alabama and applicable judicial rulings may not be confirmable.

To Creditors:

YOUR RIGHTS WILL BE AFFECTED BY THIS PLAN. You should read this and other documents sent to you carefully and discuss them with your attorney. If you do not have an attorney, you may wish to consult one.

TO FILE AN OBJECTION TO CONFIRMATION. If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an Objection to Confirmation at least seven (7) days prior to the date fixed for the hearing on confirmation and must state with particularity the grounds for the objection. See Fed. R. Bankr. P. 3015.

PROOFS OF CLAIM. Creditors must file a timely proof of claim to be paid under this plan. Confirmation of this plan does not bar the Debtor(s), Trustee, or a party in interest from objecting to a claim. Confirmation of this plan does not constitute the allowance or disallowance of the amount of the creditor's claim but does control how the claim will be paid under the plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this plan.

5. SECURED CLAIMS

5.1 SECURED CLAIMS PAID THROUGH THE TRUSTEE WHERE PLAN LIMITS VALUE OF COLLATERAL

None.

The remainder of this paragraph will be effective only if the applicable box in paragraph 1.1 is checked.

The Debtor(s) request(s) that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the Debtor(s) state(s) that the value of the secured claim should be as set out in the column headed "Collateral Value." The portion of any allowed claim that exceeds the value of the claim will be treated as an unsecured claim under Section 15 of this plan. If the amount of a creditor's claim listed below is listed as having no secured value, the creditor's claim will be treated in its entirety as an unsecured claim under Section 15 of this plan. Pursuant to 11 U.S.C. § 1322(b)(2), claims being paid under this section of the plan will be modified.

For secured claims of governmental units, unless otherwise ordered by the Court, the value of a secured claim listed in a proof of claim filed in accordance with the Federal Rules of Bankruptcy Procedure controls over any contrary amounts listed below.

For each listed claim, the secured value of the claim will be paid with interest at the rate stated below.

The Debtor(s) propose(s) that the Trustee make adequate protection payments prior to the confirmation of this plan, pursuant to 11 U.S.C. § 1326(a)(1), to the following creditors indicated below holding a purchase money security interest in personal property. Only those creditors entitled to 11 U.S.C. § 1326(a)(1) adequate protection payments will receive pre-confirmation payments from the Trustee. The Trustee shall commence making such payments to creditors holding allowed claims secured by an interest in personal property consistent with the Trustee's distribution process and only after the timely filing of a proof of claim by such creditor. The Trustee shall receive the percentage fee fixed under 28 U.S.C. § 586(e) on all adequate protection payments. Pre-confirmation adequate protection payments shall be applied to the principal of the creditor's claim. Upon confirmation of this plan, all secured creditors will receive adequate protection payments as set out below concurrently with the payment of attorney's fees. After the attorney's fees have been paid in full, the creditor's claim shall be paid its specified monthly plan payments on the terms and conditions listed below unless otherwise ordered by the Court.

The holder of any claim listed below as having value in the column headed "Collateral Value" will retain the lien on the property interest of the Debtor(s) or the estate until the earlier of:

- a) Payment of the underlying debt determined under nonbankruptcy law, or
- b) Discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

5.2 SECURED CLAIMS PAID THROUGH THE TRUSTEE WHERE VALUE IS NOT MODIFIED

None.

The claims listed below were either (1) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the Debtor(s), or (2) incurred within 1 year (365 days) of the petition date and secured by a purchase money security interest in some other thing of value. These claims will be paid in full under the plan with interest at the rate stated below, will not be affected by 11 U.S.C. § 506, and, unless otherwise ordered by the Court, will be paid in full pursuant to 11 U.S.C. §1325(a)(5). Unless otherwise ordered by the Court, the claim amount stated on the creditor's proof of claim filed before the filing deadline under Fed. R. Bankr. P. 3002(c) controls over any contrary amounts listed below.

The Debtor(s) propose(s) to pay adequate protection payments prior to the confirmation of this plan pursuant to 11 U.S.C. § 1326(a)(1) to the following creditors holding a purchase money security interest in personal property through the payments made to the Trustee pursuant to the plan. The Trustee shall commence making such payments to creditors holding allowed claims secured by an interest in personal property consistent with the Trustee's distribution process and only after the timely filing of a proof of claim by such creditor. The Trustee shall receive the percentage fee fixed under 28 U.S.C. § 586(e) on all adequate protection payments. Pre-confirmation adequate protection payments shall be applied to the principal of the creditor's claim. Upon confirmation of this plan, all secured creditors will receive adequate protection payments as set out below concurrently with the payment of attorney's fees. After the attorney's fees have been paid in full, the creditor's claim shall be paid its specified monthly plan payments on the terms and conditions listed below as required under 11 U.S.C. § 1325(a)(5).

The holder of any claim listed below will retain the lien on the property interest of the Debtor(s) or the estate until the earlier of:
